HOW TO BECOME AN ETHIC EXPERT FOR H2020?

- A Training of the FFG Academy/European and International Programmes -

LIMITED TARGET GROUP

Ethic experts, members of ethic committees, Data Protection Officers, Research Managers, NCPs and other relevant stakeholders.
Pre-Requisite: Completition of the webinar on November 12th 2019.
Presentations and recording: https://www.ffg.at/europa/veranstaltungen/webinar_2019-11-12

AIM OF THE TRAINING

This Training will support ethic experts to identify and manage ethical issues in H2020 projects properly. The main idea of this training is on sharing information and best practices that will help to address the ethics requirements of Horizon 2020 research projects correctly. The participants are encouraged to bring their own use cases and to discuss different aspects of managing research ethics with their peers in other organisations.
