During the hands-on training you will have the opportunity to rehearse your presentation for the interview and the ensuing discussion session and to receive feedback and tips to support your preparations for the hearing.

The training is designed for Synergy teams with at least one Principal Investigator participating via an Austrian host institution.

After processing all applications received, we will let you know by 3 August 2020 whether we can confirm your participation. Your participation link for the online training will be sent to you once your participation has been confirmed.
