Online

This training is open for researchers (Principal Investigators) who have been invited to a remote interview with ERC panel members after successfully completing the first evaluation stage within the ERC Consolidator Grant Call 2020.

During the hands-on training you will have the opportunity to rehearse your presentation for the interview and the ensuing discussion session and to receive feedback and tips to support your preparation for the hearing.

There will be three independent online training days:

28. August 2020

7 September 2020

9 September 2020

After processing all applications received, we will let you know by 5 August 2020 whether we can confirm your participation. Your participation link for the online training will be sent to you once your participation has been confirmed.

Please note that priority is given to Principal Investigators who submitted their ERC Consolidator Grant Proposal with an Austrian host institution.
