As part of the development of the next EU Framework Programme (Horizon Europe), the role of Joint Programming Initiatives is under discussion. Based on the experiences of the 10 JPIs and their recently presented long-term visions and strategies, the conference focuses on their role and contribution to achieve the UN Sustainable Development Goals (SDGs) and implement mission-oriented programmes in Horizon Europe. The agenda is therefore built upon the following issues:

- > Reflect the experiences of JPIs in establishing mission-oriented / challenge driven R&I programmes against future requirements of the ERA and Horizon Europe
- > Position the JPIs has hubs for coordinating the partnership landscape in the respective areas
- > Present a common position of the 10 JPIs regarding the next development phase
- > Discuss the future role of JPIs in FP9 and with regard to international policies, in particular SDGs

Target groups

JPIs, GPC, ERAC, European Commission, National Representatives, Research Organisations
