

# Professional Talents – Career Grants

Springe zu:

[Info](#) [Kontakt](#) [Links & Downloads](#)

---

The aim of this tender is to attract researchers from abroad for application-oriented research in Austria. Career grants should help to reduce personnel shortages in application-oriented research in Austria and to improve the starting position of Austrian companies and research institutions in the international competition for research staff.

## Description of target audience

Individual researchers who live abroad and are interested in a career or continuing their career in the research location of Austria (and partners who relocate with them).

## Information for researchers

Funding applicants must have an academic degree. Proof of at least a Master's degree is required.

The FFG must receive the funding applications:

- › before the researcher departs for the interview
- › before the researcher relocates to Austria and starts work

Funding includes:

- › Travel costs to and from Austria for job interviews in the field of research, development and innovation for researchers living abroad (Interview Grant).
- › Relocation costs when taking up a post in the field of research, development and innovation (Relocation Grant).
- › The professional integration of a qualified partner when a researcher living abroad relocates to Austria (Dual Career Grant).
