

FFG Academy Webinar: COST applications made easy!

A webinar for proposers of the COST Collection Date OC-2020-1 (29 April 2020)

📅 **23.01.2020, 14:00 - 23.01.2020, 15:30**

📎 [Termin herunterladen \(ICS-Format\) \(https://www.ffg.at/ics/event/89472\)](https://www.ffg.at/ics/event/89472)

Online

This webinar is targeted at interested experts from all sectors and institutions, who are planning to submit proposals to the COST program. The training content is especially relevant for coordinators (Main Proposers).

You leave the webinar with in-depth knowledge of all phases of the preparation of a COST application: from the project idea over the application process to the submission. Information will be provided on criteria for a successful preparation of a proposal for the next submission deadline (29 April 2020), as well as future submission deadlines.

The following topics will be covered during the webinar:

- > Rules for participation
- > Your network / partners
- > Gender Balance, young researchers, international and industry participation
- > Integration of so-called "Inclusiveness Target Countries"
- > The structure of a COST application
- > Helpful documents, further information and support
