

FFG Academy Training: Marie Skłodowska-Curie - Proposal writing for Individual Fellowships (MSCA-IF)

An Online Training of the FFG Academy/European and International Programmes

📅 **05.05.2020, 09:00 - 06.05.2020, 12:00**

📎 [Termin herunterladen \(ICS-Format\) \(https://www.ffg.at/ics/event/91245\)](https://www.ffg.at/ics/event/91245)

This ONLINE training will support you in the process of writing a proposal for the programme Marie Skłodowska-Curie in Horizon 2020. Particular focus of the training is the next call for Individual Fellowships (IF), opening 08 April 2020.

Registration is closed

This **online training** will prepare you for writing a competitive proposal for an Individual Fellowship in the Horizon 2020 programme Marie Skłodowska-Curie. The live webinars will be complemented by short e-learning inputs before and after the training.

We will explore the topics:

- › Introduction on Individual Fellowships
- › How should my proposal be structured?
- › What makes a proposal competitive?
- › What happens during the evaluation?

The training is designed for researchers and hosts planning to submit a proposal for the current IF call opening on 08 April 2020. Non-applicants (research support units or similar) are welcome to participate as well, provided there are still places available. Since the number of participants is limited, please register early.

Participation is free of charge. The training will be held in English.

If circumstances allow, we will offer an additional opportunity for proposal reading and a discussion with evaluators at FFG premises in late spring/early summer.

Please note:

Registrations will be considered on a first-come-first-served basis. However, we reserve the right to decline registrations that do not fit the target group. The technical registration does not alone qualify for a participation.

Details
