

Workshop: Protecting Critical Infrastructures and addressing Disaster Resilience in Horizon 2020

22nd February 2016, 13:00 – 16:30
FFG, Meeting Room „Franziska Seidl“, Ground floor
1090 Vienna, Sensengasse 1

13:00 **Welcome**
Ralph Hammer | Austrian Ministry for Transport, Innovation and Technology

Strengthening the link with end-users
Phillippe Quevauviller | European Commission DG Home

ERNICIP – European Reference Network for Critical Infrastructure Protection
Peter Gattinesi | Joint Research Center
Philipp Hohenblum | Environment Agency Austria

Best Practice Examples with Austrian participation:

DRIVER
Monika Höglinger | Austrian Red Cross Research

C2-SENSE
Refiz Duro | Austrian Institute of Technology

ECOSSIAN
Klaus-Michael Koch | Technikon

14:30 **Coffee Break**

15:00 **Presentation and discussion –**
Call Critical Infrastructure Protection (CIP) and Call Disaster Resilience (DRS):
CIP-01-2016-2017: Prevention, detection, response and mitigation of the combination of physical and cyber threats to the critical infrastructure of Europe
SEC-01-DRS-2016: Integrated tools for response planning and scenario building
SEC-02-DRS-2016: Situational awareness systems to support civil protection preparation and operational decision making
SEC-03-DRS-2016: Validation of biological toxins measurements after an incident: Development of tools and procedures for quality control
SEC-04-DRS-2017: Broadband communication systems
SEC-05-DRS-2016-2017: Chemical, biological, radiological and nuclear (CBRN) cluster

Impact of Security Research and how to address impact in the proposal
Susanne Meissner-Dragosits | FFG European and International Programmes

16:30 **End**

All activities of the FFG in the European and International Programmes division are funded by the Republic of Austria and The Austrian Federal Economic Chamber.
