STRATEGIC ORIENTED SERVICES – ERA DIALOGUE

Currently: 15 ERA-DIALOGues on-going with Universities and 3 with Research Institutions

**Aims:**

- Support Universities in the European Research Area (ERA) on a strategic level
  - Communicate current and future developments in the ERA
  - Translate and Evaluate EU Programme-portfolios and (strategic) Networks/Initiatives
- Support strategies on internationalisation
  - Identify opportunities to position research priorities of Universities
- Develop and implement specific services
