

ENRICH INNOVATION TOUR TO CHINA

Shanghai, Wuxi and Chengdu, China
May 6th - 11th, 2018

Industry 4.0 & Made in China 2025

FEATURE

- Matchmaking with key Chinese players in Intelligent Manufacturing (IM)
- Access for business and research opportunities in Shanghai as well as in the Chinese 2nd-tier cities (Wuxi and Chengdu)
- Europe Day - Networking with EU and Chinese innovators in China
- First-hand information on Chinese Science, Technology and Innovation (STI) landscape and innovative activities in China
- Contacts with high-level representatives from EU and Chinese Government
- Meet your counterparts in China for the new Horizon 2020 Work Programme for 2018-2020
- Connect with ENRICH - European Network of Research and Innovation Centres and Hubs, China - to support your growth in China

EUROPE DAY - CHENGDU

The Europe Day is an event celebrated annually since 1950, aimed at fostering the cooperation between Europe and China. This year, the event will take place on May 10th and you will have the opportunity to build your network for business and innovation with key EU and Chinese partners.

Shanghai

The most populous city in the world, described as the "showpiece" of the booming economy of mainland China.

Wuxi

One of the birthplaces of China's modern industry and commerce, having extensive manufacturing including large industrial parks devoted to new industries. 20 minutes away by fast train from Shanghai.

Chengdu

Capital of China's Sichuan province and one of the most important economic, financial, commercial, cultural, transportation, and communication centres in Western China.

WHO SHOULD ATTEND

Organisations from Europe and Associated Countries with interest in starting/deepening STI cooperation with China in Intelligent Manufacturing (IM) and other sectors:

- Technology based companies engaged in Intelligent Manufacturing
- Research Institutes and Universities engaged in Intelligent Manufacturing
- Enterprises, Business Networks and Clusters
- Universities and Universities Associations, Research Institutes and Research Networks
- Science Parks, Incubators, Accelerators, and Funding Agencies
