

AUSTRIAN REQUIREMENTS FOR THE ESTABLISHMENT OF NATIONAL GRANT AGREEMENTS IN JOINT TECHNOLOGY INITIATIVE ENIAC

2011/06/24

CHECK ON FORMAL CRITERIA FOR ELIGIBILITY

Austria requires the following eligibility criteria for Austrian participants:

- timely submission as specified in the relevant call for proposals
- submission of a complete proposal
- for companies, commercial register number and the balance sheets of the last three years
- financial viability and business soundness is verified by means of an internal check - companies that are in danger of insolvency cannot be funded
- the combined share of costs at Austrian universities and research institutions cannot exceed 40 % of the total costs of all Austrian partners within each project
- for Austrian universities in a consortium that have uncovered eligible costs, i.e. eligible costs not covered by funding from ENIAC: submission of a declaration by the Austrian enterprises in the consortium that they will cover these costs, and provision of a binding financing plan for these costs in case the proposal is funded
- synergy with national R&D&I policies: by means of the current call, Austria aims to fund a focus of Austrian participants on the following topics within the Annual Work Programme 2011, as amended for the second ENIAC call in 2011:
 - within work area 3 'Energy efficiency': Grand Challenge 'Energy Distribution and Management – Smart Grid' and Grand Challenge 'Reduction of Energy Consumption';
 - within work area 7 'Semiconductor Process and Integration': Grand Challenge 'Know-how on Advanced and Emerging Semiconductor Processes' and Grand Challenge 'Competitiveness through Semiconductor Process Differentiation'
 - within work area 8 'Equipment, Materials and Manufacturing': Grand Challenge 'More than Moore' and Grand Challenge 'Manufacturing'.¹
- Additionally required for the Full Project Proposal (FPP):
 - registration at the eCall system of the FFG at <https://ecall.ffg.at>
please consult the tutorial at <https://ecall.ffg.at/Cockpit/Help.aspx>
 - upload of a complete Form C in the FFG eCall within the submission deadline of the FPP phase

¹ Additional information (17 March 2010): Applicants who wish to obtain further guidance regarding synergy with national R&D&I policies may contact the Austrian Ministry for Transport, Innovation and Technology (bmvit), Ms Kerstin Zimmermann, kerstin.zimmermann@bmvit.gv.at, tel +43-1- 711 62 65-3503. After completion of the evaluation for the project outline phase, applicants can request a statement regarding this criterion from FFG.

FUNDING INTENSITY OF NATIONAL PUBLIC SUBSIDY

- large enterprises receive a public subsidy of up to 15% of eligible project costs
- medium enterprises² receive a public subsidy of up to 25% of eligible project costs
- small enterprises receive a public subsidy of up to 35% of eligible project costs
- research institutions and universities receive a public subsidy of up to 59% of eligible project costs

Austria intends to provide to SMEs, research institutions and universities the following quota of the available national funds:

- small and medium sized enterprises should receive at least 20% of total national funding
- research institutions should not receive more than 20% of total national funding
- universities should not receive more than 20% of total national funding

LEGAL REQUIREMENTS

The following legal entities are eligible for funding

- enterprises
- non-profit research institutions
- universities
- associations

Entities that are part of the Austrian federal administration are excluded from funding.

FINANCIAL REQUIREMENTS – RULES ON ELIGIBLE COSTS

The national rules on eligible costs for Austrian participants are available from the FFG at www.ffg.at/kostenleitfaden (“Kostenleitfaden für Vorhaben mit EU-Kofinanzierung” in the most recent version)³

² With regard to the size of the enterprise, the respective SME definition according to EU competition law applies as amended (definition of small and medium-sized enterprises according to Recommendation 2003/361/EC of the Commission of 6 May 2003, (OJ L 124 of 20.5.2003, pp 36-41)
http://ec.europa.eu/enterprise/enterprise_policy/sme_definition/index_en.htm

³ Bitte beachten Sie, dass Universitäten Gemeinkosten von max. 20 % beantragen können.
