

Coaching Session:

Objectives

Perform a course based on a practical exercise to transfer project holders the technical capacity to:

- ▶ Navigate into an ESIF Operational Programmes to identifying the appropriate funding priority and measure;
- ▶ Design an eligible project complying with ESIF rules, OP priorities and the Smart Specialisation Strategy;
- ▶ Get tips and a methodology to get the funding

Content

Patrice Lefeu will organize a competition between 5 sub-groups that will work in parallel on a similar use case of ESIF projects;

The participant will get familiar with the the following tools:

- ▶ Operational Programme;
- ▶ Project factsheet;
- ▶ Regional Smart Specialisation Strategy ;
- ▶ Selection Criteria

Outcomes expected

At the end of the exercise, all participant will have acquired the technical capacity to say if a project is eligible, what are the key drivers to be funded and how to develop the application process

In Cooperation with:

All activities of the FFG in the European and International Programmes division are funded by the Republic of Austria and The Austrian Federal Economic Chamber.
