

Plenary Session:

Objectives

- ▶ Mobilize the business and research community and administrations concerned to take opportunities from ESIF and COSME funding
- ▶ Present the EU COSME and ESIF overarching framework and functioning and eligibility rules;
- ▶ Explain ESIF technical process to develop applications, tailored to an audience coming from a defence and security environment as well as to specific regional characteristics.

Speakers

- ▶ Ms Andrea Kindler: Present EEN structure, members and services in Austria in defence and dual-use related domains
- ▶ Mr Markus McDowell: Present ESIF structure, Thematic Objectives, priorities, budget and Call for proposals in Austria
- ▶ Mr Patrice Lefeu: Explain the rationale and the process from EU public policies and priorities to project application

Outcomes expected

- ▶ Generate Dual-Use community of stakeholders' interest to apply ESIF and COSME;
- ▶ Drive a pipeline of projects;
- ▶ Accelerate the number of Dual-Use Technology projects to be funded

In Cooperation with:

All activities of the FFG in the European and International Programmes division are funded by the Republic of Austria and The Austrian Federal Economic Chamber.
