

# PROGRAMME

## 10 YEARS JOINT PROGRAMMING

**Achievements and the Way Forward**  
**20 September 2018, 08.30 – 17.00**

**Venue:** Wolke 21, Saturn Tower  
Leonard-Bernstein-Straße 10  
1220 Vienna

As part of the development of the next EU Framework Programme (Horizon Europe), the role of Joint Programming Initiatives is under discussion. Based on the experiences of the 10 JPIs and their recently presented long-term visions and strategies, the conference focuses on their role and contribution to achieve the UN Sustainable Development Goals (SDGs) and implement mission-oriented programmes in Horizon Europe.

### **Participants are particularly invited to**

- **Reflect the experiences of JPIs** in establishing mission-oriented/challenge driven R&I programmes against future requirements of the ERA and Horizon Europe
- **Debate the role of JPIs** as hubs for coordinating the partnership landscape in the respective areas
- **Discuss the potential contribution of JPIs** to Horizon Europe and with regard to international policies, in particular SDGs

This event is organised by JPI Urban Europe and the Austrian Research Promotion Agency – FFG  
In cooperation with all JPIs and on behalf of  
Austrian Federal Ministry for Transport, Innovation and Technology – BMVIT and  
Austrian Federal Ministry of Education, Science and Research – BMBWF
